

## Steps for completing the ISU Radiation Introduction Training

1. Take the [ISU Radiation Introduction Training](http://www.physics.isu.edu/health-physics/tso/rad_training/intro.html) (http://www.physics.isu.edu/health-physics/tso/rad\_training/intro.html). Complete the quiz at the end of the training.
2. Upon completion of the ISU training print out the congratulations page. Make sure you fill out the personal information section before printing. Submit the congratulations page to Kristi Moser-McIntire ([mosekri3@isu.edu](mailto:mosekri3@isu.edu), CAES Office 255).

ISU Technical Safety Office, Campus Box 8106  
Pocatello, ID 83209  
(208) 282-2311/2310

## CONGRATULATIONS!

You have successfully finished the Training Module!

Now you need to register your training with the Technical Safety Office (TSO). Please follow these steps to ensure that your registration is complete:

1. Complete the requested information in this page and click the submit button;
2. Print out this page for your own records;
3. If you are required to receive a personal dosimeter, you also need to follow the instructions on the [next page](#).

RADIATION SAFETY TRAINING REGISTRATION FORM

<b>First Name:</b>	<input type="text" value="Stephanie"/>
<b>Last Name:</b>	<input type="text" value="Thompson"/>
<b>ISU Department:</b>	<input type="text" value="CAES"/>
<b>Phone Number:</b>	<input type="text" value="402-326-8007"/>
<b>Primary E-mail Address:</b>	<input type="text" value="stephaniethompson1@boise"/>

Comments or questions about the training you just received? We *appreciate* feedback.

Please print out this page now and keep it for your own records.

*In case your completed Registration Form is not submitted successfully, you will be asked to send this page to the TSO.*

**NOTICE:** By submitting this information, you are verifying that you have taken the ISU Radiation Safety Training course online and know how to contact the University with questions regarding radiation safety.

3. After you fill in the personal information and print the congratulations page click on submit information.

4. Once you click on "submit information" the page below will appear. You are required to receive a personal dosimeter, so click on here.
